LOCAL BRIEFS—

Quite a number of the blooded horses now on exhibition at the State Fair will be exhibited at the Weldon Fair week after next.

Granville, one of our Northern tier of counties, heretofore almost exclusively a tobacco section, sent some very fine specimens of cotton to the State Fair.

Weston, the Walkist, was upon the Fair Grounds yesterday. He is a gentleman of pleasant deportment, and well calculated to win the friendship of those with whom he is thrown in contact.

The driver of "Nellie Irwin," Jno. H. Carrier, of Monterey Stud Farm, Roanoke county, Va., is fairly entitled to a premium for superior driving. He is certainly one of the best we ever saw.

Every one in attendance upon the Fair this week has been compelled to inhale a large amount of dust—"Dust thou art, and unto dust shall thou return," has been the motto of those returning each day.

THE crowd in town yesterday was slightly diminished from that of Thursday, but every hotel and boarding house was still crowded—Raleigh has never seen a larger crowd than has visited her this week.

The gift distribution at the Fair Grounds yesterday afternoon was witnessed with much attention by those holding tickets. The manner of drawing was so perfectly fair that no dissatisfaction could be seen.

Mr. T. Reamy, the house-movist of Tarboro, writes us that, in consequence of illness, he has been unabled to attend the State Fair this week, but that he will be at the Weldon Fair, which commences on the 28th inst.

The friends of the State Agricultural Society could not have wished for better weather, save the dust, than they have been blessed with this week. "Old Probability" has smiled upon us, for which we tender our thanks.

The finest premium on manufactured tobacco was awarded J. Y. Whitted, Esq., of Hillsboro, who had on exhibition some very fine specimens of tobacco. When the Committee decided in his favor he very generously donated the box to the Orphan Home Asylum.

Among the various novelties in the way of North Carolina manufactured goods at the Fair is the seamless bags manufactured by Mr. Makepiace at the Deep River Manufacturing Company. These bags are made of refuse and scrap cotton and not only superior in strength and durability, but utilizes a material heretofore thrown away.

CATHOLIC CHURCH.—Divine service will take place at St. John's Church to-morrow (Sunday) morning at 9 o'clock, precisely. Owing to circumstances there can be no tate Mass.

THE STATE FAIR.

FIFTH DAY.

Another Gala Day—Unabated Interest, Etc.

Yesterday was another gala day. The grounds swarmed with people eager to see the sights. The Halls were again crowded and the interests seemed in no way unabated. Curiosities that excited the wonderment the day before were fresh to-day.

The rounds of the

AWARDING COMMITTEES

lent an additional bustle to the scene. Spectators were excited by curiosity, and the exhibitors were moved by interest. As the Committee moved the crowd of sight seers thinned, and the exhibitors gathered around their exhibits. Eloquent were the lips that detailed the excellence of various wares. The best cooking stoves were numbered by the hundreds.

The best sewing machines were without number and a degree of excellence attaching to other competing articles was altogether astonishingly heavy. The superlative degree is exhausted and will never more be heard from. The positive and comparative are lost sight of and are considered altogether two insignificant to take notice of. While on this subject of awards it is proper to say that the

OFFICIAL PREMIUM LIST

will appear on Tuesday morning, and until that time nothing definite can be known. We might give a number of items, culled from the reports of the various awarding committees, but as the revision which is to come, will, without doubt, make sundry alterations, it is thought to omit them in this notice.

The non-appearance of

HON. D. W. VOORHEES,

the selected orator of the occasion, was a great disappointment, but the breech was more than filled by

HON. M. W. RANSOM,

who consented, at the solicitations of his many friends to supply the deficiency in the programme. At 12 m. this distinguished North Carolinian appeared on the ground escorted by the Executive Committee.

The Grand Stand was crowded to receive him, He was introduced by

GOVERNOR CALDWELL,

who, in alluding to the absence of Hon. D. W. Voorhees, read the following telegram:

WASHINGTON, D. C., Oct. 16, 1873.

R. T. FULGHUM:

I have been three days and nights on the cars, and missed every connection since I left the Wabash Valley. I was twelve hours between Frederick and this city last night, I reached here too late this morning to get to Raleigh in time. I regret it more than you possibly can.

D. W. VOORHEES.

The Governor, after regretting the absence of the distinguished Indianian, presented Gen. Ransom in terms of high compliment. In the absence of a full report of Gen. Ransom's address it is useless to say anything. That it was eloquent and effective, all know. It was practical, instructive and eloquent, and left a deep impression upon the hearers.

At the conclusion of the address,

THE RACES

were next in order.

The first was a trotting race; purse $450, open to all, mile heats, best 3 in 5 to harness, $300 to the first horse, $100 to the second, $50 to the third, winning horse to beat 2:38.

Mr. Paxon enters bay horse Twist.

Col. McCaull enters bay mare Nellie Erwin.

Twist having the advantage of the pole, left off, but was passed on the first quarter by Nellie, who won the inside and came out far ahead, making the mile in 2:40½.

The second heat was made by Nellie in 1:37½, and the third heat in 2:38½. The

SECOND RACE

was for a purse of $50, running, single dash of a mile.

T. L. Emry enters sorrel colt Brooks.

G. W. Wynne enters bay horse Cad.

A close and exciting race; Cad won the pole and kept the lead for ¾ of a mile, when the speed and bottom of Brooks proved the strongest, and he won the race in 2:01.

THIRD RACE

was another running, purse for $50, single dash of a mile.

Dr. Staton enters sorrell mare "Hope."

Capt. Gantt enters bay mare "Lady Washington."

Hope won the pole, took the lead closely pursued by Lady for ¾ a mile when she passed to the front and came out at the stand two lengths ahead. Time 1:57½.

FOURTH RACE.

Trotting, purse of $100, best 3 in 5 to harness for colts; mile heats.

Mr. Worthington enters sorrel horse "Roanoke."

G W. Wynne enters cream mare "Quixette."

R. H. Williamson enters sorrel mare "Flyaway."

Roanoke won the pole, Quixette took the lead at the first quarter and come in at the stand in 3:05, with Roanoke 2nd, and Flyaway 3rd.

Quixette also won the second heat.

THE PROGRAMME FOR THE FAIR TO-DAY.—At 11 o'clock, a. m., an auction sale of blooded stock, among which are some of the finest improved stock that is on exhibition.

A Premium of $150 for gentlemens private driving teams, to be driven by the owner. Mile heats, best 2 in 3 to wagons, 3 or more to enter, 2 to start.

A Premium of $100 for stallions owned and raised in the State, mile heats, best 3 in 5 to harness 3 or more to enter. 2 to start, $75 cup to first horse $25 to second.

HOME MANUFACTURE.—Messrs. Zeigler & Gruendler, manufactures of the celebrated "Raleigh Favorite" and other brands of cigars of this city, have on exhibition at the fair specimens of their work which they are willing to show against the world. These gentleman have won a reputation for their cigars upon merit alone and we are glad to know are building up a permanent trade.

DESTRUCTIVE FIRE IN KINSTON.—By a private telegram received yesterday, we learn that a large portion of Kinston was destroyed by fire Thursday night. The Episcopal Church and West & Parrot's store were the principal buildings entirely consumed. The store of Messrs. King & Hunter was considerably damaged, but the fire was arrested before any serious damage was done to the stock.

OUR MERCHANTS.—Too much praise cannot be given those of our merchants who at great trouble and expense have aided the general exhibition by a display of their most showy and attractive merchandise. We shall, when space will permit mention at more length the part taken by our merchants at the Fair.

HISTORICAL SOCIETY—INTERESTING MEETINGS AND GOOD WORDS SPOKEN.—The North Carolina Branch of the Southern Historical Society met in Senate Chamber yesterday morning at 7 o'clock. Gen. Robt. Ransom was called to the Chair.

Gen. Cox read a letter from Gov. Vance, the presiding officer for this State, regretting his inability to be present.

Upon motion a Committee of three was appointed to make recommendation of permanent officers, with plenary powers as to the general good of the Society.

The Committee consists of Maj. J. A. Engelhard, Col. S. D. Pool and Maj. J. W. Dunham who will report in the Senate Chamber at 7½ p. m.

EVENING SESSION.

SENATE CHAMBER, 8 P. M.

The Society was duly called to order by Gen. Ransom.

The following report of the Committee on permanent organization, was read and unanimously adopted:

VICE-PRESIDENTS,

Col. Wm. F. Martin, of Pasquotank, Gen. Bryan Grimes, of Pitt, Capt. J. N. Moffitt, of New Hanover, Gen. W. R. Cox, of Wake, Col. J. A. Gilmer, of Guilford, Col. R. T. Bennett, of Anson, Col. W. H. H. Cowles, of Wilkes, and Capt. J. L. Robinson, of Macon.

SECRETARIES,

Col. S. D. Pool, of Craven, and Maj. Seaton Gales, of Wake.

The Committee further recommended, and the same was adopted, that Raleigh be the permanent headquarters for the Society.

After the adoption of the report, and during its discussion, many of the leading men of the State participated and expressed their views. Among these we noticed Col. Carter, Gen. Cox, Gen. Ransom, Maj. Seaton Gales, Capt. Davis and others.

The Chairman was authorized to appoint five delegates and five alternates to the Convention which meets in Richmond, on the 29th. These committees will be duly announced to-morrow.

ROSE AND HARRY WATKINS—TUCKER HALL.—Brilliant close of the six days fete. It is seldom we are called upon to record such extraordinary and overwhelming success as has attended the above excellent artistes during their present engagement. A success not only in an artistic light but what is, we presume, equally gratifying, pecuniarily also. Standing room being at a premium each night. Our neighbors who came for the purpose of attending the Fair, may be congratulated, as it has afforded them an opportunity of witnessing the finest acting that has ever graced our boards.

Rose and Harry have our best reference in parting with them, and we hope to have the pleasure of seeing them again and again during the present season, for we are never lited of witnessing first-class productions produced in a first-class manner. Harry Watkins is equally great, whether he offers in the role of author or actor.

Trodden Down, or, Under Two Flags is a play, that Boucicault himself might be proud of, in fact, we doubt if its equal could be written by any one but Watkins himself. The character of Fergus McCarthy, he has made his own, and his artistic delineation of the lights and shades of Irish life, stamp him as one of our greatest actors.

To-night, for Rose Watkin's benefit, in compliance with numerous requests from many of our distinguished citizens, we have no doubt, prompted by their wives, as it is a favorite ladies play, will be presented the great emotional drama of East Lynne, or, The Elopement. We have often witnessed this admirable play, and we can advise all to take their families, as they will never regret it.

DAVENPORT SEANCES.—Profs. Fay and Keller gave their second exhibition at Metropolitan Hall last night to a very large and fashionable audience. It is seldom that so fine and select an audience turn out to greet any performance as was present last evening. Mr. Keller (Robert Harcourt) commenced the evening's entertainment with some beautiful and highly interesting experiments in Prestidigitation. His illusions are mostly new, and were performed with such ease and grace as to win the admiration of all. Mr. Keller is a magician of rare excellence, his entertainment is artistic, chaste and elegant—his every movement is natural, and he commands the closest attention of his audience. We would particularly speak of his "Great Money Feat," the "Instantaneous Growth of Flower Trees," and the beautiful "Fairy Star." After Mr. Keller's performances were over Prof. Fay presented his celebrated Dark Seance, in which he performed some of the most profound and startling wonders it has ever been our pleasure to witness. Messrs. Fay and Keller combined are a strong team.

Little Maurice Grausman, only 5 years old had the lucky number that drew the $2,500 horse in the Gift Concert yesterday.

Election Returns.

COLUMBUS, O., Oct. 17.—The

THE DAILY NEWS.

JORDAN STONE, Managing Editor.
SAM'L T. WILLIAMS, Political Editor.

SATURDAY.....OCTOBER 18, 1873.

Fair Week.

Our readers have manifested such a deep concern in the State Fair, that we propose to give full daily reports of the exhibition and its incidents in the RALEIGH NEWS. To do so, we will be compelled to encroach upon our editorial columns, and also to abridge our general news and State items. After the Fair is over, we will resume our usual variety.

THE election returns are still meagre and unsatisfactory. Although elections took place in six States last Tuesday, the telegraphic dispatches have given us but little information in regard to the result. This is somewhat remarkable, in view of the fact that in the Northern States it is usual to get accurate and full statements of the vote a day or two after the election. We cannot account for the delay in the present instence.

IT seems to be conceded that the Democrats and anti-monopolists have elected a majority of their candidates in the lower House of the Iowa Legislature. This shows that there are causes at work which will soon utterly destroy and overwhelm the Radical party. Iowa has heretofore been regarded as an intensely Radical State. She has heretofore had an almost unanimous delegation of Republicans in Congress, and the Republicans have always had full sway in the Legislature.

WE have cheering news from Ohio, if yesterday's telegrams are to be believed. The Democrats have carried the Legislature, and this ensures the re-election of that true patriot and able statesman, Senator THURMAN. There are also strong hopes of the election of Hon. WILLIAM ALLEN, the Democratic candidate for Governor. We stated a few days ago that we would not be in the least surprised to hear of ALLEN'S election. If these good tidings are confirmed by later dispatches, it will be a grand and glorious victory for the Democrats. The change is about to come at last!

Memphis Appeals to North Carolina.

If the people of North Carolina could realize the awful sufferings which the pestilence is now inflicting upon their fellow-creatures of Memphis, a stream of contributions would pour in from every section of the State that would awaken grateful emotions in the hearts of the victims and alleviate, to some extent at least, their inconceivable agonies.

The following dispatch from a former citizen of this State, Col. Duncan K. McRae, now of Memphis, to Ex-Governor Z. B. Vance, calls upon the people of Charlotte, Salisbury and Greensboro to help the afflicted city:

MEMPHIS, TENN., Oct. 11.

Gov. Z. B. Vance:—The yellow fever here is terrible. Stir up the people of Charlotte, Salisbury and Greensboro to help us.

D. K. MCRAE,
Howard Association.

We trust that this appeal will be responded to not only by the citizens at the three points designated, but throughout the whole State of North Carolina.

There are now in this city thousands of North Carolinians, representing every portion of the State, who would gladly give their mite to help the sufferers if they knew to whom or in what manner they can send their contributions. We remind such persons that the Southern Express Company forwards all packages free of cost that may be sent to aid the yellow fever victims, and one of the Agents of the Company in this city, Mr. A. P. Bryan, has kindly offered to receive and acknowledge all donations that may be made for that purpose.

We therefore appeal to the visitors to the Fair, before they leave for their homes to-day, and we appeal to the citizens of Raleigh who have not done so already, to come forward and deposit with Mr. Bryan, for immediate transmission, some proof of their sympathy in the great sorrow that has cast the pall of desolation and death over a noble Southern city.

Let each give something, however small, and give at once—for humanity's sake!

PRESIDENCY OF THE SENATE.—The friends of Vice-President Wilson, who have been in recent communication with him, say that he is now content of being able to take his chair as presiding officer of the Senate on the first of December next. It is asserted by some of the political friends of Senator Carpenter that he will be displaced as President *pro tem.* of the Senate, and Mr. Ferry, of Michigan, put in his place. This, it is said, will be done on account of the scandal that has attached to some of the private conduct of Mr. Carpenter since the adjournment of the Senate.

This is certainly the age of paper. There are greenbacks, stamps, paper shirt bosoms, collars and cuffs, paper slippers and hats, paper water pipes, well walls, ship cabin panels, car wheels, and even sides of pleasure yachts are made of this seemingly fragile material. The latest adaptation of paper, however, is the manufacture of paper pantalettes for the fair sex.

M. Ranc, the French Communist who committed a fatal blunder in allowing himself to be elected to the National Assembly, thereby challenging an investigation at his conduct in the bloody days preceding the surrender of Paris, has been tried for his crimes, found guilty and sentenced to death.

GREAT HAY CROP—COTTON RIVALED.—The hay crop of Maine this year is worth as much in the Boston and New York markets as the cotton crop of Georgia. Our hay crop is not less than 1,600,000 tons. It sells today in Boston at $30 a ton. That would amount to $48,000,000. A princely sum, truly! The cotton crop of Georgia this year is estimated at 600,000 bales of 400 pounds each. This, at 20 cents a pound, would bring in the Boston market $48,000,000. Hereafter the hay crop of Maine will be with us as important a staple as the cotton crop is to the Southern States.—*Bangor (Me.) Democrat.*

The Duke of Edinburgh has received his first honor at the hands of the Czar of Russia. His Royal Highness has been appointed commander of the Second Battalion of Marines of the Russian Black Sea fleet. The battalion will bear the name of the "His Royal Highness the Duke of Edinburgh's Second Black Sea Marines."

Fifty years ago the following advertisement appeared in a Cincinnati paper: "Passengers wanted—a wagon will start for New York in about two weeks. Five passengers will be accommodated at $25 each."

The editor of the Huntsville, Missouri *Herald*, pops the question in his paper in this public fashion: "There's a certain girl in this town who can carry our smokehouse keys for life if she'll only say the word."

Connecticut has voted to keep her capital at Hartford, instead of running a double-headed concern at that place and New Haven. She will save money by it and receive the thanks of all little geography scholars.

The Boston Young Men's Christian Union have started a novel and very useful charity. It is to provide rides in carriages for invalids who are unable to pay the cost of the necessary exercise.

Dumas, Jr., is growing middle-aged and moral, has written a novel destitute of indecency, and has abjured dramatic composition *in toto*, being disgusted with his own "Camille."

The Minnesota law compelling saloon keepers to pay $10 annually to the support of the State Inebriate Asylum has yielded $12,000 this year.

A Yale professor has been elected to one branch of the New Haven common council, and the colored college carpenter to the other.

Love birds are said to be growing in favor as pets among the ladies in New York, and the discarded poodles are becoming jealous.

A Nevada gambler won $4,380 on a capital of fifty cents, but was robbed and murdered while going home.

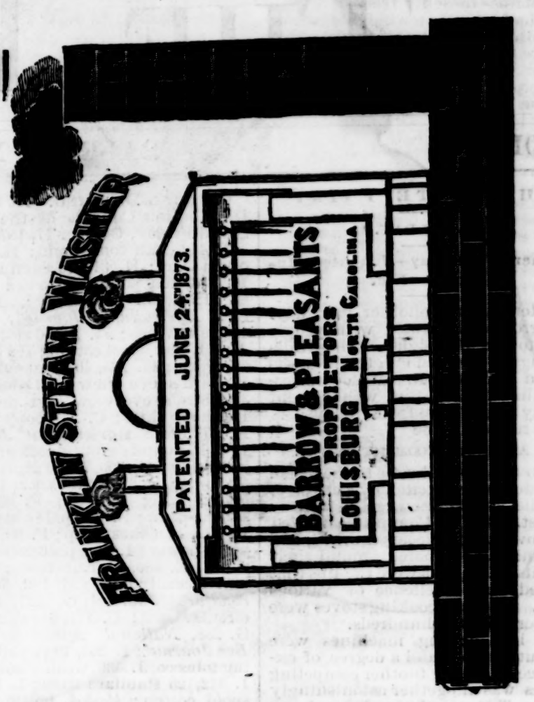
THE VERY LATEST IMPROVEMENT.



PATENTED JUNE 24TH, 1873.

Satisfaction Guaranteed in Every Instance.

OTHER MACHINES HAVE THEIR PECULIAR MERITS—THIS HAS NO DEFECT.

The Washing of a Family of Ordinary size Easily Accomplished before Breakfast!

Have Never Known One That Failed to Give Satisfaction!

No other Machine can be sold after the "FRANKLIN" has been Tried.

From One to Two Thousand Dollars a Year Guaranteed to Working Men!

Every County Sold in Which it has been Introduced.

WE CHALLENGE THE WORLD TO COMPETE WITH IT!!!

The inventor of the "FRANKLIN STEAM WASHER" was owner of the right to manufacture the "Improved" Woman's Friend in certain territory. While manufacturing these machines, and watching attentively their action and the manner in which they operated, and the results, he discovered certain prominent defects therein. He spent ten months in the study of the subject of finding remedies for these defects. He has at last succeeded—and as the result of his investigation and study, he offers to the public the "FRANKLIN STEAM WASHER," which is by far the best Washing Machine ever patented. We claim as an evidence of its merit that "LETTERS PATENT" were granted over all others.

It will wash anything from a Lace Collar to a Bed Blanket. It will cleanse the clothing without tearing and more thoroughly than can possibly be done by hand labor or the use of the rubbing board. With one-fourth of the labor four times as much can be done in the same length of time as can be done by hand. We could publish columns of certificates of its worth from those who have used it, but for the present we prefer the WASHER to speak for itself. We give a few below:

Messrs. BARROW & PLEASANTS, LOUISBURG, September 27th, 1873.

GENTLEMEN:—Mrs. Davis has tried the "FRANKLIN STEAM WASHER" and instructs me to say, in reply to your enquiry, that she is well pleased with it, and believes it to be all that you claim for it as a labor saving Machine. It does its work well and diminishes, by more than half, the labor of washing. She cheerfully recommends it.
JOSEPH J. DAVIS.

Messrs. BARROW & PLEASANTS, LOUISBURG, September 10th, 1873.

GENTLEMEN:—Before purchasing your Steam Washer, I paid four dollars per month for our family washing; now without any additional help, I have the washing done at home and pay fifty cents a week to have the ironing done. In this way I save $2 per month, and my clothes are much whiter, and I am satisfied, will last much longer than when washed by rubbing or the use of a board. It is all that you recommend it to be.
Very respectfully, Mrs. C. M. COOKE.

Messrs. BARROW & PLEASANTS, LOUISBURG, September 11th, 1873.

GENTLEMEN:—I am using your Steam Washer, and it proves a success and I take pleasure in recommending it to the public, and testify to its being all that you represent it to be. Very respectfully, Mrs. P. B. HAWKINS.

Messrs. BARROW & PLEASANTS, LOUISBURG, September 8th, 1873.

GENTLEMEN:—I have been using your Franklin Steam Washer for some time and can safely say is far the best I ever saw. I cannot do without it. MRS. A. W. WILSON.

Messrs. BARROW & PLEASANTS, FRANKLINTON, September 9th, 1873

SIRS—Mrs. Gibbons has been using your "Franklin Steam Washer" for two weeks and pronounces it a grand success. Rev. H. H. GIBBONS.

Messrs. BARROW & PLEASANTS, LOUISBURG, August 4th, 1873.

GENTLEMEN:—I take pleasure in recommending your "Steam Washer." I acknowledge myself to have been incredulous with regard to yours, after having tested several others that had been as highly recommended to me; but the inconvenience to a large family, of not being able to get a good washer, regularly, induced me to give yours a trial. I am gratified to pronounce it a perfect success. I used it according to directions, and did two week's washing in two hours, nor did I give the first RUB. Whiter or more nicely washed clothes, I have never had. It only needs a trial to convince.
Respectfully, Mrs. W. H. FURMAN.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 12th, 1873.

GENTLEMEN:—Through the kindness of your agent, Mr. J. J. Person, I have tried your "Steam Washer," and find it by far the best I ever used. It certainly saves a great deal of hard labor and does not damage the clothes. It is all that you recommend.
Respectfully, Mrs. Dr. J. B CLIFTON.

Messrs BARROW & PLEASANTS, LOUISBURG, June 30th, 1873.

DEAR SIRS:—I take pleasure in testifying, that I have used your "Steam Washer," with perfect success, and find it by far the most speedy and effectual mode of cleansing all kinds of fabrics I have ever known.
Very truly, Mrs. Dr. W. R KING.

Messrs. BARROW & PLEASANTS, LOUILBURG, August 5th, 1873.

GENTLEMEN:—My wife has been using the "Franklin Steam Washer" for some time and she, as well as the washerwoman, are highly pleased with it.
Very truly, ELLIS MALONE, M. D.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 3rd, 1873.

GENTLEEN:—I have used the "Steam Washer" I purchased of your agent, Mr. J. J. Person, and find that it will do more than you recommend. We are more than pleased with it. Respectfully, S. E. COOK.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 30th, 1874.

SIRS:—I take pleasure in recommending your "Steam Washer." It is a complete success. My clothes are whiter than ever before, and that without labor. A very short while with the "Washer" will save a hard days washing.
Yours truly, Mrs. T. C. HORTON.

Messrs. BARROW & PLEASANTS, LOUISBURG, July 24th, 1873.

GENTLEMEN:—I have been using the "Steam Washer" about one month. It surpasses my expectations; it is all that you say for it. I am highly pleased.
Yours truly, Mrs. T. A. PERSON.

Messrs. BARROW & PLEASANTS, WARREN COUNTY, Sept. 15, 1873.

GENTLEMEN:—I have tried your Steam Washer, and find it an admirable success. I cheerfully recommend it to all.
Respectfully, Mrs. Dr. GEO. FIELD.

Messrs BARROW & PLEASANTS, FRANKLIN COUNTY, Sept. 3, 1873.

GENTLEMEN:—I have used your Steam Washer with perfect success I find it a great saving of the clothes, time and labor and more than half the soap.
Respectfully, Mrs. J. B. LITTLEJOHN.

Messrs. BARROW & PLEASANTS, SHADY GROVE, Warren County, Oct. 1, 1873.

GENTLEMEN:—I have tested the Franklin Steam Washer, sold in this county by Mr. G. F. Littlejohn, and find it a perfect success, and I recommend it to everybody.
Yours with respect, Mrs. J. A. WILLIAMS.

OURSELVES AS OTHERS SEE US:

"We take pleasure in saying that the "Franklin Steam Washer" is all that its proprietors claim it—a complete success. We hazard nothing in saying that nothing has ever been put upon the market that meets with such universal favor. We are yet to hear of the first one that does not give entire satisfaction.—Louisburg Conrier.

"It is meeting with universal and unprecedented favor among domestic circles."—Rocky Mount Mail.

"Messrs. Barrow and Pleasants constitute one of the strongest and most reliable firms in Louisburg, and from what we have heard of the "Franklin Steam Washer" and the high character of the parties controling it, we have no doubt but that it is all that they represent it to be."—Biblical Recorder.

"The patentees claim for the "Franklin Steam Washer" a superiority over all others, and from the description we have had of its workings, we believe its claims are well founded."—Christian Advocate.

"We have known Messrs. Barrow and Pleasants from "our youth up," and know they would not recommend anything unworthy of patronage. They are leading merchants in Louisburg."—Asheville Citizen.

We have acquired by purchase of the Patentee, Mr. S. W. Bartholomew, the sole right to manufacture and to sell the right to manufacture the "Franklin Steam Washer" within the United States and Territories.

We now offer the "Franklin Steam Washer" to the American people with full confidence that it will do all that we claim for it, and in order to introduce it as rapidly as possible, we are offering great inducements to working men who want to make money; we will sell State or County rights on very reasonable terms; for instance, we will sell the right to a county with ten thousand inhabitants for one hundred dollars. Within twelve months, if properly managed, the person can sell from three to five hundred Washers, at a profit of five dollars each, and his right will be worth more at the expiration of that time than it was at first, from the fact that it has been introduced and will sell in almost every family.

To parties wishing to buy State or county rights, we will, send, on receipt of five dollars, just one-half of the retail price, the "Franklin Steam Washer" complete, with instructions how to use, &c.; and after satisfying themselves that it is what we recommend it to be, they can correspond with us in regard to territory wanted, our terms, &c. We desire a good reliable General Agent in every State in the Union, and we invite correspondence with workingmen who would like to make money. None need apply who cannot furnish satisfactory evidence of their integrity and reliability.

Any tinner can make the "Washer," or parties buying county rights, can obtain them through us at cost.

All persons are warned against manufacturing or selling the "Franklin Steam Washer" without authority from us. Any person infringing upon our rights in this matter will be prosecuted.

Our Mr. PLEASANTS will have rooms at the Yarborough House during Fair week and will give any information desired.

TO ALL WHOM IT MAY CONCERN;

We are well acquainted with Messrs. Barrow & Pleasants; as merchants they are doing a leading Business in their town. They are men of strict integrity and in every way reliable and responsible. They do what they engage to do.

SPECIAL NOTICES.

BILLOUS.—If you feel dull, drowsy, debilitated, despondent, have frequent headache, mouth tastes badly in morning, irregular appetite and tongue coated, you are suffering from Torpid Liver or "Biliousness." If many of these symptoms are experienced by you, you are certainly in the first stage of Liver Complaint. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it will effect a perfect cure, restoring the system to strength and healthy action. Sold by all first-class druggists.

How unnecessary the anguish many persons undergo from the neuralgia, toothache and earache. All this is unnecessary because the remedy is at hand. Mexican Mustang Liniment, a few drops of it in the hollow of a decayed tooth, affords instantaneous relief. For cuts, wounds, bruises, swellings, and all lameness, or other cases which require treatment externally, this liniment is everywhere regarded as the most potent and reliable healing agent in existence. For all external injuries or ailments of horses and cattle, it is invaluable.

His Honor, HENRY POTTER, late Judge of the United States Court for the District of North Carolina gave the following as his opinion of Beckwith's Pills:

"For some ten or twelve years past I have been in the habit of using DR. BECKWITH'S ANTI-DYSPEPTIC PILLS in my family, and consider them so valuable a domestic medicine, that I never suffer my stock to be exhausted. I have used them with good effect in dyspeptic cases, under various modifications, and have found them efficacious in relieving from sick headache, and from all the usual symptoms of functional derangement of the viscera. As an apperient, they are excellent. I have long had the pleasure of an intimate acquaintance with the inventor of these Pills. He is a gentleman of talents, integrity and worth, and he ranks high in the science of medicine and the healing art.
H. POTTER."

Prepared by E. R. Beckwith, (successor to Dr. John Beckwith) Proprietor, Petersburg, Va. Sold by Druggist generally at 25 cents per box. Joseph Carr, Wholesale Agent, Petersburg, Va.

THE DAILY NEWS.

SATURDAY.....OCTOBER 18, 1873.

NORTH CAROLINA.

Wild turkeys abound in Johnston county.

Salem and Winston are determined on a Fair.

The Hornet Fire Company, Charlotte, has a new engine.

There is to be a pigeon shooting match at the Charlotte Fair.

T. N. Ramsay, of Raleigh, lectures in Salem on next Tuesday.

The dead body of a white infant was found near Whiteville recently.

Bears are said to be more numerous and destructive in the lower edge of Craven county than ever before known.

Says the *People's Press* of the 16th instant:

"The supper, given in the Vogler building, on Saturday evening, for the benefit of the Orphans' Home, at Oxford, was a success. A pleasant and sociable evening was enjoyed by the numerous visitors, and the sum of $120 realized. We hope the contributions to this meritorious institution will become more general throughout the State."

Says the *People's Press* of the 16th: "A few nights since another obstruction was placed on the N. W. N. C. Railroad, in the neighborhood of Friendship, Guilford county. This makes the third or fourth attempt to wreck this railroad, involving the loss of the lives of passengers and damages to the Railroad Company. What fiend or fiends in human shape we have to contend with no one knows; and we think placing obstructions on railroad tracks as well as barn burning, should be made hanging offences.

Says the Newbern *Times* of the 16th:

"We learn that Haight's Circus did not show at Kinston Monday night. It seems that at the afternoon performance a woman with her child went in to see the menagerie, when the attendant present threatened to throw the child into the Lion's den, at the same time seizing it; the child became badly scared and in a few minutes died. The outrageous conduct of some of these circus people, towards citizens of our city, as well as in other localities visited, is such as to deserve the severest condemnation."

Says the Winston *Republican* of the 16th inst:

"Mr. Nathaniel Davis died very suddenly on last Saturday evening while on his way home from this place. He was heard to complain some before leaving town, and when about a mile distant from this place he requested the little boy with whom he was riding to drive out under a shade and get him a drink of water. The boy on returning with the water found him laying on his face, and on raising him up found him to be dead. He was complaining of a very severe pain about his heart when he requested the boy to get the water, and it is supposed to have been disease of the heart that terminated his life so suddenly. The deceased was about thirty-two years old, and leaves one child.

Says the Charlotte *Observer* of the 16th inst.:

"About one o'clock this morning a fire was discovered in Rudisill's Planing Mill and Machine Shop, on the corner of College and Eighth streets. The fire companies were promptly on the ground, but the inflamable nature of the building and contents rendered it impossible to save anything in the shop, the whole being in flames before the engines could be brought to bear on the conflagration. Other buildings, in imminent danger, were saved by the prompt action of the fire department and citizens.

"The loss will fall heavily on Mr. Rudisill, as the shop was only partially insured, and as there was a large amount of valuable machinery, tools, timber, work, &c., in the building. Mr. Rudisill estimates his loss at $7,000; insurance $2,500 in some Virginia company."

A reporter of the Louisville *Courier-Journal* has been writing up the peculiar institution of Voudooism, as it exists among the colored population of that city, and in the course of his investigations has run across several very peculiar characters. Prominent among these is "Old Dr. Joe," who earns a respectable living by professing to break the spell into which his deluded followers are constantly fancying themselves to have fallen. Not long since Old Joe was called to see forty negroes on one plantation in Henry county, where all were suffering from the same complaint, but no doctor could tell what was the matter. He examined them and found that all of them had been conjured, and by cutting his cards, he ascertained that a negro who had recently been brought to the plantation had conjured the forty negroes, and made them sick. The manner in which Old Joe sets about curing his patients is strikingly peculiar. The victim is ordered to start off in a certain direction to the woods, where he must procure a certain bone and the roots of a certain herb. These articles must be laid away until night, when the conjured individual must build a fire in an open place, and put on it a kettle of water. He then must call in some of his colored friends, and must be sure that none of his enemies are about to see what is going on. The friends are drawn up around the kettle. The bone and the weeds are brought forth, and the latter distributed in equal particles among his friends. The victim holds the bone in his own hands until the water begins to boil, when it is dropped into the kettle. One by one the company silently drop a handful of roots into the boiling water. Just at this juncture an old woman rushes into the crowd, bearing in her hand the bleeding head of a freshly-slain chicken, which she thrusts into the kettle The old woman then starts off in a slow and measured tread around the fire, followed by the rest of the company; who follow in procession by single file, until soon a song is started by one of the company, and then all join hands and dance around the boiling cauldron, singing and jumping in a manner that would remind one of the witches in Macbeth. After these performances are over the kettle must be set aside and the crowd disperse. Next morning the afflicted one must bathe himself in the charmed liquid, and if his case can be curable by any human agency, he will forthwith begin to heal.

A Potato Sell.

A man from Illinois went over to Fort Madison the other day, with sweet potatoes to sell. His early education had been somewhat neglected in arithmetic, for he offered to sell his entire load at 60 cents per half bushel or $2 per bushel. Baskets or sacks were begged or borrowed and every one was buying potatoes at 60 cents per half bushel. The man didn't see it until the last half bushel was sold. He wanted $2 per bushel for the load. One man offered him $1.90 per bushel. He persisted in selling at 60 cents per half bushel, thinking doubtless that there were four half bushels in a bushel. Another said he would take three half bushels. A third took two half bushels. Before the man commenced the retail business a grocer bought two bushels for his own use at $2 per bushel. He offered $1.90 per bushel for the whole load, in order to sell again; but was refused. When the man saw his blunder, he held up both hands, and exclaimed, "Oh! thunder."

At the West Virginia State Fair held at Winchester last week, John T. Sower's three year old colt, Buckskin, won the trotting race. At the start of the first race the horse upon which Upton G. Long, of Cumberland, Md., was riding, shied the track, jumped the fence, pitched him over head foremost, and fell upon him as he landed on the opposite side, breaking all the ribs of his left side. He died the day after the accident. Long is the second rider this horse (Harkaway) has killed within a year.

A Philadelphia paper says the clothing depot of the Frankfort arsenal is now engaged in making a new uniform for the entire standing army of the country, numbering in all departments about 30,000 men. Over 600 operatives, mostly women, are constantly engaged in this work.

I take pleasure in announcing that my business has so largely increased and the demand is so great that it has constrained me to lay in

A Much Larger and More Attractive Stock than Heretofore.

My Goods are bought with every available advantage and doing business at a very small per centage, I am able to offer

INDUCEMENTS IN PRICES

that are rarely equalled. My

And a very large variety of Low Price Dress Goods. My stock of Cassimeres, Piece Goods, Hats, Caps, Boots and Shoes is extraordinarily large and complete, and you would be doing yourselves injustice if you were not to examine it before purchasing elsewhere.

THE SECOND AND THIRD FLOORS are almost exclusively devoted to

WHOLESALING,

both being filled to their utmost capacity with

GOODS OF EVERY DESCRIPTION

to supply the Trade and Country Merchants would find it to their interest to give my stock a thorough examination before making their purchases, as I think I can offer rare bargains and special inducements. With

A Corps of Experienced Salesmen,

ever ready to assist, I can sell, do sell, and will continue to sell as

CHEAP AS THE CHEAPEST.

No house in Raleigh can or shall undersell me, it matters not whether the goods are purchased in Europe or the United States, and for these important reasons:

1st. I am alone, and have no two or three partners to divide my profits with.

2nd. I have leased my store house at a mere nominal cost.

3d. I believe in the great principle of LIVE AND LET LIVE—QUICK SALES and SMALL PROFITS.

4th. I have large experience, buy at the lowest INSIDE figures, and with the best facilities.

EXPERIENCE, the best of teachers, has long since informed the people that

CREECH'S

is the place to buy their goods, and as heretofore I shall always

Represent Goods as They Are.

Returning thanks for past favors, I hope to secure your patronage in the future.

Respectfully yours,

No. 20 Fayetteville Street,

RALEIGH, N. C.

We announce with pleasure to our friends, patrons and the public that we have repaired and fitted up the store recently occupied by the late firm of Primrose, Petty & Newsom and are now offering, at the lowest possible prices, one of the best and most carefully selected stocks of the latest styles of

Foreign and Domestic Dry Goods

ever offered in this market. We have all qualities of the new and leading styles and colors of dress goods for Ladies, Children and Misses wear; also a very large assortment of

Cloths, Cassimeres and Jeans,

for men and boys wear, and a complete stock of

Boots,
Shoes,
Hats,
Caps,
Notions,
&c., &c.,

of all sorts. Our goods were bought during the recent panic in New York by our Senior partner, when we were enabled, purchasing for cash, to buy goods at much less than their real value, therefore all wishing to purchase any article in our line, will find our goods offered as low as they can be bought North or South.

We offer great inducements to merchants. As most of our goods were bought by the case, we sell as low as northern jobbers. We have no OLD GOODS in our house, everything is ENTIRELY NEW.
